**PV-70** Series  
Vacuum Currency Counter

**LAUREL**  
LAUREL BANK MACHINES CO.,LTD.

Not only the other machines of our lineup, but also PV-70 Series is in the vanguard of cash handling machines. We keep on innovating our products and technology with the phrase, "Customer Satisfaction" is always in our mind. We proudly introduce our state-of-the-art Vacuum Currency Counter, PV-70 Series.

#### High Accuracy

Based on our long time experience, Count Sensor System of PV-70 Series has been designed on Laurel's high technology in order to have incomparable accuracy.

#### Highly Selected Components for High Durability

The PV-70 Series is comprised highly selected durable parts and can tolerate heavy usage.

#### High Speed

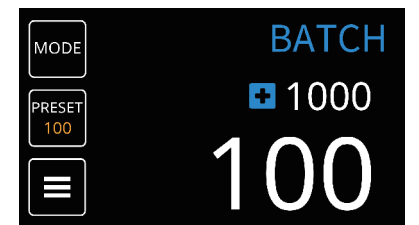

PV-70 Series has high speed counting and greatly enhance the customers' efficiency in their routine works.

#### User-friendly Design

- Large Color Touch Screen indicates condition of PV-70 Series graphically and clearly.
- Noise has been minimized, it can provide you the pleasant work environment.

#### New UI for Easy Operation

LAUREL renovated UI (User Interface) for simple and easy operation, which can be learnt in no time at all.

#### Environment – Conscious

We have succeeded to design PV-70 Series as the comfort machine with less noise.

By taking environment into our consideration, PV-70C and PV-T70C have the optional shutters.

It helps to reduce even more noise, and also it helps to avoid blowing off the dust for your comfort use.

#### Option
